HAPPY VALENTINE'S DAY FROM LOOK AT THAT WWW

Getting Old

By Bingo

How can you tell when you're getting old?
 Here is just one of the many ways-
 There'll come a day when you'll realize-
 You'll have less tomorrows than you've had
 yesterdays!
 I hope you've had more pleasure than pain-
 And your joys outnumbered your sorrows.
 I hope you've helped others in your yester-
 days-
 And that you'll continue in your tomorrow.
 If you've been good and helped the poor
 And you have a conscience that's clear-
 Then you have lived a good clean life-
 You'll have no worry when your 'time' is
 near.
 Because God might look down one day—
 (He works in mysterious ways-)-
 And decides you've earned a few more
 tomorrows
 For the good you did- in your yesterdays.

Hello...it snowed today...didn't do much...keep thinking about spring. This has been an easy winter – but its still long. I went to the Casper's Leather Swap Meet in St. Cloud last Sunday – had my saddle bags repaired and saw a bunch of familiar faces. That's always fun. There is another one in St. Cloud April 1st put on by the Freemans, and Donnie Smith's show coming up in March! I hope to see you there. I'm already planning my Sturgis trip this year. For the first time I will be riding my bike out there. We'll take two days to get there – then it will be just fine for me. Maybe some day I will have a more comfortable bike for long distance riding, but I have no problem going 300 to 350 in a day. If you can't ride it – plan those trips for when you can! My bike is apart right now – getting painted - yes...again. I'll explain next month. 2007 is going to be an AWESOME year! From beautiful downtown Silver Creek. Take Care, Laura the Potter www.laurathepotter.com
