

# The 3rd Annual Milwaukee Rally

July 29- Aug 1

This particular weekend was a run my ass off weekend. With the Milwaukee Rally sponsored by the Metro Milwaukee H-D Dealers going full swing, as well as one other event I had to attend at the same time. Talk about stressful for Lorie and I, but we made it through.

The rally was held at the historic Milwaukee Mile. But the only rubber on the track this weekend was of the 2-wheeled kind. This year the number of riders was up. From new-old, custom-stock, the rally was a great success. Being only the 3rd Annual, rallies of this size always have growing pains. But as I am sure, the bugs will be worked out for next year. The Broken Spoke Saloon was there to serve up some cool beverages from some really, shall I say "Hot Ladies", that went along very well with the weather outside. The band line-up was fabulous, the people were awesome, and the many other things that were going on in Milwaukee made for an enjoyable weekend.

Again I'd like to thank the Hunter Group and the Milwaukee H-D Dealers for doing a really good job putting this event on. It is a lot of work, but the end result was a lot of fun. Check out [www.milwaukeerally.com](http://www.milwaukeerally.com) for some 2004 pics along with the info on the 2005 rally which will be July 28 -31st. We'll see you there.
