

Preacher,

It has been said that those of us who choose the road less traveled, traversed on two wheels, march to a different drummer. One who has marched steadfast, in the name of honor, respect, and Brother/Sisterhood is Bingo. Many of us know how deep his commitment is and are very appreciative of his every effort for those of us behind bars. Locked up, we can easily be cast aside, forgotten, out of sight-out of mine; NOT if Bingo has anything to say about it!

We, however are not writing this to spotlight Bingo's tireless efforts but instead to send a HUGE THANK YOU to the Wisconsin Federation of Motorcycle Clubs. We, the "scooter tramps" incarcerated at John C. Burke Correctional Center, along with ALL downed Brothers and Sisters, throughout the "system", can not thank the Federation enough for the support they have pledged to Bingo's Downed Biker Fund. Many are helped in various ways through Bingo's fund and the Free Riders Press is our one common link to the life and freedom that is temporarily out of our grasp. Through the federations support we are able to remain a small part of all of you, as you remain a small part of all of us. Until each of our confinement days come to an end and we can once again RIDE FREE TOGETHER, we remain Brothers and Sisters, side by side, in spirit, with Pride. Much Thanks!

Sincerely,

Karen Crotty, Teri Turzinski, Cassie Webb, Lisa K White, Jennifer Hanson, Rhonda Albrecht, Nikki Schwahn

Today I'm alive, clean, and happy. Tomorrow has not arrived yet, but when it does, I will use God as my power to defend, protect, and bring me to the place he wants me to be. Making new friends is important. Tell me the right things to do, encourage me, be by my side when I have a problem, and don't turn your back on me when I need you. And when I can't walk the mile, carry me until I'm able. God's orderly direction is my new outlook. By seeking I have found peace.
