A man and his wife walked into a dentist's office.

The man said to the dentist, "Doc, I'm in one hell of a hurry! I have two buddies sitting out in my car waiting for us to go play golf. So forget about the anesthetic and just pull the tooth and be done with it. We have a 10:00 AM tee time at the best golf course in town and it's 9:30 already. I don't have time to wait for the anesthetic to work!"

The dentist thought to himself, "My goodness, this is surely a very brave man asking to have his tooth pulled without using anything to kill the pain."

So the dentist asks him, "Which tooth is it sir?"

The man turned to his wife and said, "Open your mouth, Honey, and show him."

An old hillbilly farmer had a wife who nagged him unmercifully. From morning till night (and sometimes later), she was always complaining about something. The only time he got any relief was when he was out plowing with his old mule. He tried to plow a lot.

One day, when he was out plowing, his wife brought him lunch in the field. He drove the old mule into the shade, sat down on a stump, and began to eat his lunch. Immediately, his wife began haranguing him again. Complain, nag, nag; it just went on and on.

All of a sudden, the old mule lashed out with both hind feet; caught her smack in the back of the head. Killed her dead on the spot.

At the funeral several days later, the minister noticed something rather odd. When a woman mourner would approach the old farmer, he would listen for a minute, then nod his head in agreement; but when a man mourner approached him, he would listen for a minute, then shake his head in disagreement. This was so consistent, the minister decided to ask the old farmer about it.

So after the funeral, the minister spoke to the old farmer, and asked him why he nodded his head and agreed with the women, but always shook his head and disagreed with all the men.

The old farmer said: "Well, the women would come up and say something about how nice my wife looked, or how pretty her dress was, so I'd nod my head in agreement."

"And what about the men?" the minister asked.

"They wanted to know if the mule was for sale".

# RIDERS

A Sunday school class was studying the Ten Commandments.

They were ready to discuss the last one.

The teacher asked if anyone could tell her what it was.

Susie raised her hand, stood tall, and quoted, "Thou shall not take the covers off the neighbor's wife."

A 17 year-old girl tells her Mum that she has missed her period for two months. Very worried, the mother goes to the chemist and buys a pregnancy test. The test is positive.

Shouting, swearing, crying, the mother says, "Who was the b\*stard that did this to you? I want to know! The girl picks up the phone and makes a call.

Half an hour later a Ferrari stops in front of their house; a mature and distinguished man with gray hair and impeccably dressed in an Armani suit steps out of the Ferrari and enters the house. He sits in the living room with the father and the mother, and the girl and tells them:

"Good morning, your daughter has informed me of the problem. I can't marry her because of my personal family situation but I'll take charge. I will pay all costs and provide for your daughter for the rest of her life.

Additionally, if a girl is born I will bequeath her 2 retail stores, a townhouse, a beachfront villa and a \$2,000,000 bank account. If a boy is born, my legacy will be a couple of factories and a \$4,000,000 bank account. If twins, they will receive a factory and \$2,000,000 each. However, if there is a miscarriage, what do you suggest I do?"

At this point, the father, who had remained silent, places a hand firmly on the man's shoulder and tells him, "You'll do her again" !!!!!!!

# HUMOR

This Indian boy goes to his mother one day with a puzzled look on his face. "Say, mom, why is my bigger brother named "Mighty Storm"?"

"Because he was conceived during a mighty storm."

"Why is my sister named "Cornflower"?"

"Well, your father and I were in a cornfield, when we made her."

"And why is my other sister called "Moonchild"?"

"We were watching the moon landing while she was conceived. Tell me, Torn Rubber, why are you so curious?"

"An extraordinarily handsome man decided he had the responsibility to marry the perfect woman so they could produce beautiful children beyond compare. With that as his mission he began searching for the perfect woman. Shortly there after he met a farmer who had three stunning, gorgeous daughters that positively took his breath away.

So he explained his mission to the farmer, asking for permission to marry one of them.

The farmer simply replied, "They're lookin' to get married, so you came to the right place. Look 'em over and pick the one you want."

The man dated the first daughter.

The next day the farmer asked for the man's opinion.

"Well," said the man, "she's just a weeeee bit, not that you can hardly notice...pigeon-toed."

The farmer nodded and suggested the man date one of the other girls;so the man went out with the second daughter.

The next day, the farmer again asked how things went.

"Well,"the man replied, "she's just a weeeee bit, not that you can hardly tell...cross-eyed."

The farmer nodded and suggested he date the third girl to see if things might be better. So he did.

The next morning the man rushed in exclaiming,

"She's perfect, just perfect. She's the one I want to marry."

So they were wed right away.Months later the baby was born.

When the man visited the nursery he was horrified: the baby was the ugliest, most pathetic human you can imagine. He rushed to his father-in-law asking how such a thing could happen considering the beauty of the parents.

"Well," explained the farmer,

"She was just a weeeee bit, not that you could hardly tell...pregnant when you met her."
