An elderly gentleman... had serious hearing problems for a number of years. He went to the doctor and the doctor was able to have him fitted for a set of hearing aids that allowed the gentleman to hear 100% The elderly gentleman went back in a month to the doctor and the doctor said, "Your hearing is perfect. Your family must be really pleased that you can hear again."

The gentleman replied, "Oh, I haven't told my family yet.

I just sit around and listen to the conversations. I've changed my will three times!"

A boy awoke and wanted breakfast so he told his mother. She said, "Not until you feed the animals."

The boy went outside and said to the chicken, "I don't feel like feeding you today." So he kicked the chicken. He did the same with the cow and the pig. The boy then went back into the house and told his mother he was hungry. His mother said, "I saw you kick the chicken so you're not getting any eggs, I saw you kick the cow so you're not getting any milk and I saw kick the pig so you're not getting any bacon."

Just then the boy's father walked down the steps and tripped over and kicked the cat and the boy said, "Mom should I tell him?"

The game of choice for unemployed people or maintenance level workers is basketball.

The game of choice for front line workers is football.

The game of choice for middle management is tennis.

The game of choice for CEOs and executives is golf.

Conclusion: The higher up on the corporate ladder you are, the smaller your balls are.

A woman is in bed with her lover who happens to be her husband's best friend. They make love for hours, and afterwards, while they're just laying there, the phone rings.

Since it is the woman's house, she picks up the receiver. Her lover looks at her and listens, only hearing her side of the conversation ...

She is speaking in a cheery voice "Hello? Oh, hi. I'm so glad that you called. Really? That's wonderful. I am so happy for you. That sounds terrific. Great! Thanks. Okay. Bye."

She hangs up the telephone, and her lover asks, "Who was that? Oh, she replies, that was my husband telling me all about the wonderful time he's having with you on his fishing trip.

A 5-year-old boy went to visit his grandmother one day. Playing with his toys in her bedroom while grandma was dusting, he looked up and said, "Grandma, how come you don't have a boyfriend now that Grandpa went to heaven?" Grandma replied, "Honey, my TV is my boyfriend. I can sit in my bedroom and watch it all day long. The religious programs make me feel good and the comedies make me laugh. I'm happy with my TV as my boyfriend."

Grandma turned on the TV, and the reception was terrible. She started adjusting the knobs, trying to get the picture in focus. Frustrated, she started hitting the backside of the TV hoping to fix the problem.

The little boy heard the doorbell ring, so he hurried to open the door and there stood Grandma's minister. The minister said, "Hello son, is your Grandma home?"

The little boy replied, "Yeah, she's in the bedroom bangin' her boyfriend."

The minister fainted.

Q. What do you call a woman who knows where her husband is every night?

A.. A widow.

# HUMOR

Two very elderly friends, Max and Wally, met in the park everyday to feed the pigeons, watch the squirrels and discuss world problems.

One day Wally didn't show up Max didn't think much about it, figured maybe he had a cold or something.

But after Wally hadn't shown up for a week or so Max really got worried.

However, the only time they ever got together anymore (they used to play a lot of golf together) was at the park, and Max couldn't remember where Wally lived so he was unable to find out what had happened to him a month passed and Max figured old Wally had gone to his heavenly reward.

But one day Max approached the park and, lo and behold, there sat Wally!

Max was very excited and happy To see him and told him so! Then he said, "For crying out loud Wally, what happened to you???"

Wally replied, "I have been in jail."

"Jail???" cried Max!! "What in the world for???"

"Well," Wally said, "You know Sue, that cute little blonde waitress at the coffee shop where we sometimes get coffee?"

"Yeah" said MAX, "I remember her. What about her?"

"Well one day last month she got mad at me and to get even, she charged me with rape. I was so proud of what everyone would think an old fart like me could still do, that when I got into court, I pled 'Guilty'. The judge then took a good look at me and gave me 30 days for perjury."

A man walks into a bar with his pet monkey. He sits down at the bar to have a drink when the bartender screams, "Did you see what your Monkey just did?"

"No, what?" asks the man

"He just ate the cue ball off my pool table.....WHOLE!"

"Yeah, that doesn't surprise me," replied the guy, "He eats everything in sight. I'm sorry. I'll pay for the cue ball and stuff."

The guy finishes his drink, pays his bill, pays for the stuff the monkey ate and leaves. Two weeks later the guy is in the bar again and has his Monkey with him. He orders a drink and the Monkey starts running around the bar again. While the man is finishing his drink, the Monkey finds a bowl of Maraschino Cherries on the bar. He grabs one, sticks it up his butt, pulls it out and eats it. Then the Monkey finds a peanut, again sticks it up his butt, pulls it out and eats it. The bartender is disgusted, "Did you see what your Monkey did now?"

"No, what?" replied the man.

"Well, he stuck a cherry and a peanut up his butt, pulled them out and ate them!" said the bartender.

"Yeah, that doesn't surprise me," the guy replied, "He still eats

everything in sight but ever since he had to shit that cue ball, he measures everything first."
