

Ozaukee Guzzlers MC Grass Drags

I showed up at the Guzzlers drags again this year along with Lorie and again enjoyed myself. There's nothing like raw power, dirt flying and the smell of fuel in the air to get a guy going. If you've never seen the drags you don't know what you're missing. The impulse to cheer on complete strangers is really kewl, but I find it really hard to understand the need for speed (personal choice), but I do realize that adrenaline is a great drug of choice. We do ride bikes after all! (And yes, a whole group in a ride that flies through the streets unabated, oh ya.) Sorry got off topic there.

The Ozaukee Guzzlers do a great job at the Fillmore Sportsman's Club with everything from safety, racers, fans and every detail involved in the day's events. With many classes that include small to large 2-wheelers and 4 wheelers that are guaranteed to have a great time. Stop in Oct 12th for the fall drags.
